### Copyright

All texts, images, graphics, audio and video files used on the EQS Group AG website are subject to copyright and other laws for the protection of intellectual property. They are intended for personal use only and may not be copied, either for trading purposes or for transfer to third parties, nor modified and used on other websites. The copyright of published data of any kind developed by EQS Group AG belongs solely to EQS Group AG. Graphics, text, logos, photos, etc., require the prior express permission by EQS Group AG before being downloaded, reproduced, copied, amended, published, transferred, transmitted or used in any other form. There may also be images included on the EQS Group AG internet sites that are subject to the copyrights of their providers.

### Disclaimer

EQS Group AG does not assume liability for the content of the information provided. Any liability claims against EQS Group AG, which refer to material or non-material damage, and which may be caused by the usage or nonusage of the information provided or, respectively, by the usage of any incorrect or incomplete information, is generally excluded, unless in cases of evidenced wilful or gross negligence (with cardinal obligations even slight negligence) on the EQS Group AG's side. Likewise, EQS Group AG may not be held liable for any loss or damage ascribable to computer viruses when users call up or download data from this website. This disclaimer is to be regarded as part of EQS Group AG's internet offer.

### Legal validity of this disclaimer

This disclaimer is to be regarded as part of the internet offer which you were referred from. Should parts or individual formulations of this text not, no longer or not completely conform to the applicable legal status, the remaining parts of the document shall remain unaffected by this in their content and validity.

### Terms and conditions

All services presented on this website are services offered by EQS Group AG. News agency content is merely for editorial purposes and user's individual information. The storage in databases and any forwarding to third parties as part of or for the purposes of commercial use is only permitted with written consent by EQS Group AG. In addition, our General Terms and Conditions shall apply. If you would like to forward, save or commercially use any content about EQS Group AG's services, please contact our news sales team on Tel: UK: +44-20-3141-3940 / US: +1 (212) 335-0664.

### Trademark protection

The figurative marks „EquityStory.com“ and „IR.COCKPIT“ are trademark protected. All the trademarks named in the internet offer and, where applicable, those protected by third persons, are subject without restriction to the legal provisions of the respectively valid right to protected identification/trademarks and the rights of ownership of the respective registered owners. The fact that a trademark has merely been named shall not imply that trademarks are not protected by the rights of third persons!

## Links to third party websites

This website possibly contains references to third party websites, which may be of interest to users of „eqs.com“. EQS Group AG herewith explicitly declares that at the time of setting the link, no unlawful content could be detected on the pages linked. EQS Group AG shall have no influence whatsoever on the contents or design of these linked pages. EQS Group AG therefore explicitly disassociates itself herewith from all current content and any content changed at a later date and shall accept no liability for this. EQS Group AG is not responsible for the third party content or the content of linked sites beyond our own website. EQS Group AG shall therefore accept no liability for the current relevance, completeness and correctness of the information provided.

## Amendment to the terms of use

EQS Group AG reserves the right to amend the current terms of use at any time without prior notice. Should parts or individual formulations of this text not, no longer or not completely conform to the applicable legal status; the remaining parts of the document shall remain unaffected by this in their content and validity.

## Data protection notice

The protection of your personal information and privacy is of great importance to EQS Group AG. Therefore at EQS Group AG, personal data is only collected, processed and used in accordance with applicable data protection regulations and data security. The data protection principle of avoiding data applies. The following details are for your information. Please note that the EQS Group AG websites may contain links to other providers' websites, to which this data protection declaration does not extend.

## Anonymous data collection

You can normally visit the website of EQS Group AG without having to give us any personal details. Our web server only saves the name of your Internet Service Provider, the website from which you visited us and any websites that you visit via a link on our site. We evaluate this information for statistical purposes. Your anonymity as an individual user is maintained in this respect. In particular, no personal details such as name, address, telephone number or email address is saved or processed.

## Collection and processing of personal data

Personal data is only collected when you provide us with this in the course of completing a contract or registering for personalised services. In the course of delivery of personalised services provided by EQS Group AG, your registration details are saved, subject to your permission, for the purpose of advertising and market research, and for the configuration of electronic services tailored to your needs. This data is subject to technical and organisational security measures, in particular encrypted data transfer to prevent any misuse by third parties.

## Use of personal data

Your personal data is only used to process your enquiries and execute contracts. All subsequent use of your data for the purposes of advertising, market research or the personalised configuration of electronic services from EQS Group AG

requires your previous consent to this effect. As consent to use your data for the above-mentioned purposes can also cover the transfer of your data to other organisations in the EQS Group AG Group, your data may also be passed on to these entities. Apart from that there is no transfer to further third parties.

## Setting of cookies

This website (<http://www.lei-manager.com>) uses cookies. Cookies are small files of information, which are stored on your computer and enable the analysis of website use. The cookies used on our web servers are mostly session cookies which are automatically deleted from your hard drive once the browser session has come to an end. Other cookies remain on your computer system and enable us to recognise your computer when you next visit our site (permanent cookies). The information contained in these cookies, which can also be personal data, is read by our web server when you call up our website again. This information is used to assess your use of the website, to compile reports about website activity for website operators and to provide other services relating to website activity and internet usage. The information is only transferred to a third party if this is required by law. You can prevent the installation of cookies by changing your browser settings, however we must point out that in this case you may not be able to use all the features on our website. By using this website, you consent to the processing of data collected about you in the manner and for the purposes set out above.

## Web Tracking Tool

This website uses web tracking tools to collect and save data in an anonymous form exclusively for the purposes of optimisation. This data is used to create user profiles under a pseudonym. Cookies can be used to collect and save the data exclusively in a pseudonymous form. This data is not used to personally identify the website user or linked to the bearer of the pseudonym. No personal data will be saved. The user's IP address is disguised and does not allow for any conclusions regarding the identity of the website visitor. This website collects and stores data for marketing and optimization purposes using technology from eTracker GmbH ([www.etracker.com](http://www.etracker.com)). User profiles under a pseudonym can be established from this data. Cookies can be used to this end. Cookies are small text files that are installed in the temporary storage of site visitors' Internet browsers, and enable recognition of Internet browsers. Data collected with eTracker technology are not used to personally identify visitors of this website and are not merged with personal data of the bearer of the pseudonym without the affected person's express consent. Data collection and storage can be rescinded with future effect.

## (Data) Security at EQS Group AG

EQS Group AG uses technical and organisational security measures to protect your data from manipulation, loss, destruction or access by unauthorised persons. These security measures are constantly improved in line with technological development. This includes, for example, access rights, authentications, audits, checks, controls, alert messages, data storage and security, data transfer standards and environment integrity. The legal regulations (Insider regulation) as well as strict company regulations also apply to the EQS Group AG. The code of conduct applies to EQS Group AG employees; it requires them to adhere to the principles of data protection and security.
